Delmar,

This is a response to your request for Drs. Harwood, Sadowsky, MacBeth, Weidheas and Loftus in preparation for their affidavits of May 26, 2009 and the Loftus and Olsen in reference to their affidavits of May 18, 2009; and your subsequent request for "considered" materials of Dr. Chappell in reference to his affidavit offered in support of the motion to exclude the testimony of Dr. Cowan. We do not agree with your interpretation of the rules, but in order to resolve this dispute and save the Court's time to deal with the more substantive issues which are pending before it, we will contact each of these individuals and secure the information which you have requested. I believe that you have the materials relied upon by Drs. Harwood, MacBeth Weidheas and Olsen and substantially have the information relied upon by Dr. Chappell, Loftus and Sadowsky. It will take me some time to check on this and gather any additional materials. I will keep you advised as to the status.

David
